

Conditions for using data from this database and disclaimer

Terms

The Keep Sweden Tidy Foundation is responsible for the management of the database that contains results from monitoring of litter on Swedish beaches. Delivery control, storage and publication is financed by the Swedish Agency for Marine and Water Management (SwAM).

All data and metadata that The Keep Sweden Tidy publish on this site are available under the open data license [Creative Commons](#), CC-by-4.0. The license means that the database is open to everyone and that you can use, distribute, remake, modify and build on the Keep Sweden Tidy/SwAM open data - even in commercial contexts without any restrictions or costs.

It is desirable to specify Keep Sweden Tidy Foundation as source and when the date of the download of data has occurred. Please also state if you have changed anything in the material.

If you need data other than published on our website [Statistics on litter](#), please send a message to info@hsr.se and we will help you.

Disclaimer

The Keep Sweden Tidy or SwAM cannot guarantee for data are accurate or complete or that the computer products available on this website exactly reproduce data provided from the surveyor. This can be e.g. due to unit conversion and other data treatment that is performed on the data values to offer a more standardized product. If incorrect or unreasonable data is discovered, we are grateful if you let us know. We also welcome improvement suggestions. For all contact send e-mail to info@hsr.se.
